

FRUITS | COCONUT | TAPIOCA

TROPS offers the finest premium food products and ingredients from the tropical island of Sri Lanka, including fresh produce, frozen tropical fruits and vegetables, frozen fruit pulp, frozen tapioca, tapioca flour, coconut products, and other nutrient-packed superfoods & authentic spices. All our products are crafted to elevate your business with exceptional quality.

We work with diverse farming communities across Sri Lanka, with a strong manufacturing presence in Jaffna, allowing us to bring the authentic flavors of both the North and South to the world. From Jaffna's vibrant mango orchards to the rich, creamy coconuts of the South, TROPS sources the best of Sri Lanka's agricultural bounty. The vibrant, sweet flavors of Jaffna's tropical fruits and the rich, creamy coconuts of the South are carefully sourced from the heart of the island.

Our products are processed using the highest quality standards, including FSSC 22000, ISO 22000, HACCP, USDA Organic, and EU Organic certifications. We are committed to providing you with a year-round supply, backed by 24/7 customer service and doorstep logistics.

No Monkey Business!

At Trops, we ensure fair value for all, reject animal cruelty, & promote a sustainable lifestyle, delivering top-quality products for people and the planet.

TAPIOCA | CASSAVA

Tapioca, derived from the cassava root, is a widely used ingredient in the vegan world. It's gluten-free, energy-boosting, and versatile, making it perfect for both savory and sweet dishes, including baking, thickening, and creating plant-based alternatives.

TROPS offers both IQF and Blast Frozen Tapioca as well as high-quality Tapioca Flour (Tapioca Starch), providing a complete solution for your culinary needs.

Frozen Tapioca

TROPS offers both IQF and Blast Frozen Tapioca as well as high-quality Tapioca Flour (Tapioca Starch), providing a complete solution for your culinary needs.

Tapioca Flour / Starch

Tapioca Flour/Starch is a versatile, gluten-free ingredient, perfect for baking, thickening, and enhancing texture. With its neutral flavor, it works seamlessly in both sweet and savory dishes. Available in organic and conventional options, it offers a long shelf life while retaining natural nutrients, free from additives.

COCONUT PRODUCTS

TROPS offers a wide range of coconut-based products, from small-scale to large volumes, ensuring we meet the unique needs of your business. Whether you require organic or conventional options, our coconut products are certified to the highest standards, including A-grade certification and FSSC 22000. With a focus on quality, flavor, and nutrition, we provide only the finest coconut products to elevate your culinary creations.

Trops provides branded and private-label products, featuring tailored fat content to meet specific dietary and formulation needs.
